DATE

APR 10 1958

TO: ALL FE STATIONS AND BASES

FROM: Chief, FE

GENERAL - Logistics

SUBJECT:

SPECIFIC - Japanese Filing Cabinets

ACTION REQUIRED: Compliance

1. It has been determined that the Remington Rand four drawer combination file cabinets manufactured in Japan do not meet the minimum security requirements for the storage of Classified [Redacted] documents.

25X1

2. In order that corrective action may be initiated a cable reply is requested of those Stations and Bases with:

A. Japanese 4 drawer safes-number in stock ✓

B. Japanese 4 drawer safes-number in use. ✓

3. Until corrective action can be taken further issue of Japanese safes is suspended and Chiefs of Station and Base will, where possible, restrict the use of Japanese safes currently in use to files of minimum sensitivity. ✓
